Justification

Information Supporting Selection as a Hot Spot (Attach additional photos as necessary):

Zone 7 owns and maintains this section of Line J-1. This trash hot spot has been identified, through Zone 7's maintenance inspections, as having trash problems. This trash hot spot located between Hwy I-680 to the west and a restaurant (McDonalds) and a couple of businesses to the east. The highway and the restaurant are likely the biggest contributors to the trash issue in this section of Line J-1.
